

## Meet exotic wildlife

**CAIRNS** Wildlife Safari Reserve is must-see adventure where you can explore the 80ha reserve and see African and endangered species as well as countless Australian native animals.

Start the day with the amazing Breakfast with the Beasts, where you will enjoy a fully cooked breakfast while being surrounded by lions. Or you can just go to the reserve and enjoy the company of the wild animals

and the excitement of feeding time every half hour.

To cap off a perfect day at the reserve, try the Dinner on the Edge in the purpose-built venue and enjoy the delicious African-inspired menu. You'll feel the ground rumble and hear the roar of the lions as they are released into the darkness for their dinner before you enjoy your dinner. Whatever you do, don't forget your camera!

## Enjoy Indian cuisine

**ISN'T** it about time you experienced great exotic tastes that exhibit the richness of a glorious past and the luxury of a colourful present?

Family-owned Mother India Restaurant serves many innovative dishes not found at other Indian restaurants and the friendly staff will prepare your food exactly the way you like: mild, medium, hot or Indian hot - or anywhere in between.

Featuring Indian,

international, seafood and vegetarian cuisine, Mother India provides an in-house catered menu, delicious and healthy entrees, salads and traditional sweets.

Mother India also caters for in-house corporate functions and group parties.

Stop by the restaurant at 2/80 Sheridan St and check out the delicious lunch, dinner and take-away specials. It is open seven days.
